**Before enrolling in school, it is extremely important for each Prospective Student to understand and prepare for the expectations of progress they will face while enrolled in school. These are a few questions you need to review, and seriously consider your answers before enrolling. We ask you to go through this exercise, so you can address the main reasons students drop out of school. If you can manage these issues while enrolled, you will have a better chance of completing training and becoming successful in our profession.**

**Cosmetology/ Esthetics/ Manicure/ and Instructor occupations generally require continued standing or sitting and constant use of the upper torso, shoulders, arms, wrists and hands, upper back, and neck. Certain individuals may have allergies and sensitivity to chemical products used in the profession.**
